

Request for Quotation Sheet.

QUOTE REQUEST : BUDGETARY LEVEL / IMMEDIATE CONSIDERATION QUOTE						
Proposal expected date :					Expected P.O. Date :	
Please provide as much of following information in order to offer you our Optimum Solution Proposal for your genuine requirement.						
Customer details						
Customer name						
Address						
Tel. No.						
Fax No.						
E-mail address						
COMPONENT DETAILS						
Please send drawings/schematic sketch, along with the following details:						
Component	Dimensions			Wt. (kg)	Qty./ 1 shift	MOC
	L	W	H			
Space available for Paintshop/Powder Coating Plant with Drawing & Please mention which floor plant to be set up						
Production requirement/shift						
No. of working days/annum						
Possible no. of shifts/day						
Effective working hrs./shift						

Pretreatment facility, If Required Following Points to be filled necessary	
1. Process Schedule	<i>As Given by your Chemical Supplier</i>
2. Material Handling system (Hoist/Transporter/On-line)	
3. Type - Dip/Spray	
4. Tanks MOC	
5. Area for PT with Dimension	
Painting schedule (in case of liquid paint) or Powder Coating	
Painting Process	Fusion Bonded Epoxy/Powder Coating
Painting Process	
Extent of automation required	
Any other special requirement like dust free Environment etc.	
Conveyor Type - (4Wheel/I Beam/ Belt Type/ Chain on edge Type)	
Baking time and temp required.	
Heating Media available. (Gas/HSD/Electricity)	
If Liquid painting booth bottom tank civil or M.S or SS	
If Powder coating booth cyclone type or filter cartridge	
Type of Paint - 2k/3K
